2) In para 3 of the letter, the Deputy Mil. vice president asks that the attention of the D.C's may be invited to the fact that the Indian Soldiers Litigation Act of 1925 has been made applicable to the State & that they be instructed to invoke the provisions of this Act when requested by him to do so. Although the enactment referred to has been passed, the rules relating to the Act are still being framed. A draft set of rules received from the P.C. has been sent by the prot. Gv. to the High Court for advice. Hence, it may not be possible to ask the D.C's to invoke the provision of the Act as requested by Major Phythian Adams.

3) The Major states in para 6 of his letter that ^{he understands that} the families of Indian Army personnel are already entitled to free medical treatment in State institutions. This requires verification in the Medical Secy. ~~Secy~~ ^{Subs.} for orders.

Notes for the guidance of Welfare Committees.

1. Welfare Committees should obtain from the Collector the nominal rolls of overseas families in their area and also a supply of Welfare postcards for distribution to each family. The families should be shown how to fill up these postcards and be instructed that they are to use them only if they wish to communicate with me direct regarding non-receipt of letters from relatives overseas, delay in receipt of family allotment money orders etc. The intention is to save Welfare Committees the trouble of writing to me on such matters. If any Overseas Families are found which are not in the nominal rolls a report should be sent to me.

2. Lists of the families of Recruits and of men serving in India are no longer maintained. If any such families wish to make a complaint they may be given a Welfare postcard and instructed to write to me direct.

3. Emphasis is laid on the personal visiting of families and the chief points to note are:—

(1) **Letters**:—Whether these are being received regularly from relatives overseas bearing in mind the time lag inevitable in war time and that when engaged in active operations a soldier has little chance of writing. Should a man become a casualty, a report is sent by the Military authorities at once to the relative concerned, so the absence of news may be taken as proof that the man is well. The families also should be instructed to write letters *regularly* to their relatives overseas, whose morale and peace of mind may be very sensibly affected by non-receipt of letters from home.

(ii) **Family Allotments**:—Whether these are being received monthly from the local Post Office. It should be noted that there is sometimes delay with initial payments if the man concerned has taken an advance of pay before proceeding on service. In the case of recruits no family allotment is made, but the men are encouraged to remit some of their pay monthly to their families.

Special attention should be paid to the question of illegal demands for commission by postmen before paying a Money Order or handing over a letter.

Cases falling under (i) or (ii) above should be reported to me on the printed Welfare postcards issued to each family, or direct by Welfare Workers.

(iii) **Molestation**:—Whether they are being put to inconvenience or being molested in any way by their enemies who may take advantage of the absence of the principal male member overseas, and whether any misleading reports are being made to alarm them unnecessarily by mischievous persons engaged in anti-war propaganda.

(iv) **Litigation**:—The Indian Soldiers' (Litigation) Act provides for the postponement of civil suits in which the adverse party to a complaint etc., is an Indian soldier who is serving in a war area or is under orders to proceed on field service etc. A court is empowered under the Act to stay proceedings or to set aside decrees passed against an Indian Soldier who is on active service, pending his return.

Cases falling under (iii) and (iv) may be dealt with on the spot by reference to the Police or Civil authorities, or if necessary to the Collector. Or a report may be sent to me direct.

4. Welfare Workers might assist the families in addressing letters to their relatives overseas and instruct them to stamp such letters correctly.

Such letters should be addressed as follows:—

Regimental No., Rank and Name.....

Regt.....

C/o Base Postal Depot, BOMBAY.

Postage is at the Inland rate Viz:—1½ as. for the first tola and must be paid.

Those wishing an early reply should use the Air mail affixing an 8 as. stamp, and also the blue Air label which latter may be obtained free of charge at any Post Office. Such letters must not exceed ½ oz. in weight, and should be posted at a Post Office and not in a letter box.

For Air mail letters the address is:—

Regimental No., Rank & Name.....

Regt.....

C/o Base Air Post Depot,
KARACHI.

5. In the case of any members of an Overseas Family becoming ill the Welfare workers might assist by securing admission to hospital and/or free treatment.

6. Under G. O. 272 of 1942 the Govt. of Madras sanctioned educational concessions to the children of serving soldiers who are unable to pay the necessary fees. This was extended by G. O. 695 of 1942 to cover also brothers and sisters, and in certain cases a nominee.

Sir,

As requested at our interview, I submit the following for your consideration:-

(1) I would ask for official recognition of Indian Army Welfare in the State and that Deputy Commissioners and Amildars should co-operate with me in every possible way in this most important work.

ackd.
P. 52 of 20/7/42
(2) Could Deputy Commissioners please be instructed to arrange for reservation of accommodation for me at Travellers Bungalows in the course of my tours, to depute an officer to meet me at each halt and to give the widest possible publicity to my tours, of which a programme is sent to them well in advance?

(3) The Indian Soldiers Litigation Act of 1925 has, I understand, been made applicable to the State by Legislative Enactment. I would ask that the attention of the Deputy Commissioners may be invited to this fact and that they will invoke the provisions of the Act when requested by me to do so.

D
(4) I should be glad to receive a copy of any G.O. which has issued regarding the grant of Educational Concessions, and would request that wide publicity may be given to any such order, without which those concerned will not be able to avail themselves of its benefits.

(5) I would request that Deputy Commissioners may be instructed to investigate all complaints, relief cases, family pension claims etc. with the least possible delay, to avoid hardship to those concerned.

I brought to your notice a case sent out from my office on 21-1-42 which was received back on 6-7-42 i.e. after 5½ months. It was a very simple matter and could have been disposed of without difficulty in as many days.

(6) It is understood that the families of Indian Army personnel are already entitled to free medical treatment in State institutions and that no special G.O. in the subject is needed.

(7) I have noted that applications for financial assistance in specially deserving cases which are not covered by Army regulations may be sent to the President, State War Fund, for favourable consideration.

11. The children of retired soldiers and of soldiers who are dead will also be eligible for the concessions herein provided.

Note.—(1) The concessions mentioned in this notification will be shown only to the children of the Military Classes and not to their other dependants.
